

Dingle Spence, BSc., MBBS, Dip. Pall. Med, FRCR, is a Jamaican physician with training in both Clinical Oncology and Palliative Medicine. She is the Senior Medical Officer of the Hope Institute Hospital, Jamaica's only dedicated Oncology and Palliative Care unit. Dr Spence is an Associate Lecturer at the University of the West Indies, Mona, and is co-founder and co-director of the Jamaica Cancer Care and Research Institute (JACCRI), a nonprofit organization dedicated to improving the quality of cancer care and palliative care in Jamaica and the Caribbean. She has recently been invited to serve as an expert advisor and Commissioner on the Lancet Breast Cancer Commission, and the Lancet Commission for Cancer and Health Systems. Dr Spence also has research interests in the use of plant-based medicines such as cannabinoids and psychedelics for holistic symptom relief for people with palliative care needs.
